The Spirit of the Game

Unlike many sports, golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and abide by the *Rules*. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf.

Friday Night Buffet and Games will begin **Feb. 08** at 5:00pm. All members are invited to come eat and enjoy various games such as cards or ping pong. Menu orders will also be available.
